Like every Summer, Center Drive has been buzzing with activity! The custodial staff has the building looking amazing! Larry Ring, along with Cindy Elliot, Jerry Vigue, Deb Wood, Wendy McDonald and Kathy Johnson have been cleaning, painting and repairing every inch of the building in preparation for the first day of school. Helping them with all of this is our newest custodian, Ben Walton. Ben has been a wonderful addition to the crew and has put in many hours making this school ready for opening day.

I have had the opportunity this summer to collect and analyze the NWEA data, comparing students from the Fall testing to the Spring. As always, I am pleased with the results and proud of the work our teachers have done with students. Our next steps as a staff will be to look at this data, specifically to the individual students and plan appropriate interventions through RTI and title one to meet their needs. Until we have a consistent state assessment in place, we will do the NWEA's again Fall and Spring. The results of the Spring, 2018 NWEA's are as follows:

NWEA Results
Spring, 2018

Percentage of students (regular and special ed) that met or exceeded the standard

Grade Level	Reading	Math
2 (first formal year of taking test)	63%	52%
3	83%	68%
4	84%	90%
5	68%	67%
6	80%	80%
7	81%	81%
8	92%	76%

Enjoy the last few weeks of Summer!
