Students and staff returned from February vacation appearing rested and healthy. Hopefully March will bring warm weather, and no more snow days!

Our second trimester was scheduled to end on the 17<sup>th</sup> of this month. Due to the 6 snow days happening all in 2<sup>nd</sup> trimester, I will be extending the trimester a week, having it end on the 24<sup>th</sup> with report cards going out the 31<sup>st</sup>. This will give teachers and students a few extra days to continue instruction and assessment against the standards expected during the second trimester. Parents have been notified of this through the newsletter and it will be put on the website and future weekly updates.

Our Winter sport season has come to an end and Drama has begun. As you will see from our board presentations, our sport teams were very successful. I am so proud to be able to report that our girls' A team won first place in the B flight finals, our cheering squad earned 2 first place plaques in the three competitions they participated in, our boys' A team won the PVML sportsmanship award and our chess team finished 2<sup>nd</sup> in the PVML with a very young group of competitors! Mrs. Miller has begun drama practices, a little later than usual, due to the storm days and basketball tournaments. We will be looking forward to a March performance of "Kilroy Was Here" very soon. It's exciting to watch the student confidence and enthusiasm grow as they take part in this performance.
