PTG

The PTG Fundraiser was very successful.. The PTG also held the Kid's Shop on Friday December 1. This activity was for students wishing to purchase low cost items for Christmas presents for parents. Volunteers wrapped students' purchases for free. Craft making tables were available at that time also.

ORC

ORC Basketball games are held on Saturdays from 9:00 until 6:00 beginning in December through February. Some ORC games are held Tuesdays, Thursdays, and Fridays. Cheering is also offered to students.

K-4 Holiday Activity

The holiday activities for kindergarten through grade 4 usually includes a book read, crafts to make, coloring, puzzles, a short movie, hot chocolate, and other surprises. The book read may be The Mitten, Twas the Night Before Christmas, The Grinch Who Stole Christmas, or The Polar Express. Mrs. Marvin will be the guest reader this year. Students enjoy spending the day with the many volunteer moms, dads, and grandparents that help out during the day.

Center Drive School BASKETBALL, CHEERING, & CHESS

Generally speaking basketball games are Tuesdays and Thursdays starting December 5th. Snowdays and cancellations may require makeups on other days. The chess team follows the A basketball team wherever it goes and the Cheerleaders always cheer at home games.
