Sports

The baseball and softball seasons were huge successes with only one makeup game for weather. Both teams were undefeated this year 7-0. Mr. Bob Phillips has completed the sports “boards” that decorate the gym (red, white, and blue). Championship years for each sport have been listed, and 2018 has been added for both baseball and softball.

The track team had a successful year as well with many 5th graders joining the team. Tyler Wilkinson (5th grader) set 2 school records winning the 400 and 800 meter race.

Concert

The **Chorus and Band** concert was held this year with many in attendance. It was an excellent concert directed by Mrs. Miller assisted by various middle school conductors. The K-4 Concert will be held on Friday June 8.

NWEA Testing

Testing is almost over and NWEA student assessment reports for students in grades 2-8 will be sent home shortly.
