PTG

The PTG is in the planning stage for the Spring Fair. It will be held on April 8 from 10:00 - 2:00. Volunteers are encouraged to contact Morgan Hart. The PTG donates over \$8000 per year for services to CDS students. Ten dollars per student is earmarked for field trips. An ice cream social is provided at the end of the year for all students and staff. Free classroom supplies for needy students are available throughout the year which includes paper, crayons, pencils, pens, erasers, and even backpacks.

ORC

ORC has started the sign ups for Little League, baseball, and softball. Teams will be drafted and schedules created for the spring season.

Student Teachers

During the year, CDS receives many requests from students attending Husson University, Eastern Maine Community College, and the University of Maine wishing to observe classes, spend 30 Hours of Training, or do their Student Teaching at Center Drive School. At this time we have 5 adults that we are working with. Mr. Jacob Joy will be finishing his student teaching in Ms. Johnson's class. Mr. Brett Chappelle has been student teaching in Physical Education with Mr. Reed. Mr. Curtis is doing 30 Hours with Mrs. Tardif. Nurse Kaitlin Robinson has 2 nurses in training practicing with her.
