March 16 End of Trimester 2  
March 19 MEA Testing for Grades 3-8 until April 13  
March 22 Report Cards sent home  
March 23 In-Service Day

**PTG**

The PTG donates over \$8000 per year for services to CDS students. Ten dollars per student is earmarked for Field trips. Teacher supplies are purchased and left in the Teacher's room . Free classroom supplies for needy students are available throughout the year which includes notebook paper, crayons, pencils, pens, erasers, and even backpacks. An ice cream social is provided at the end of the year for all students and staff. The PTG is concerned that without new parents, there will not be a PTG organization next year.

**ORC**

ORC has started the sign ups for Little League, baseball, and softball. Teams will be drafted and schedules will be created for the spring season.

**Student Teachers**

During the year, we receive many requests from students attending Husson University, Eastern Maine Community College, and the University of Maine wishing to observe classes, spend 100 Hours of Training, or do their Student Teaching at Center Drive School. At this time we have 6 students that we are working with. Mrs. Wood, Mrs. Lausier, Mrs. Wright, Mrs. Hart. Mrs. Tardif and Mr. Reed all have student teachers. Nurse Dwyer has 2student nurses in training observing her.

**Respectfully submitted**
