September 5, 2017

IMPORTANT DATES

August 30 Grades 1-8 First Day

August 31 Pre-K and Kindergarten Start

September 11-29 NWEA Testing Grades 2-8

September 14 Kindergarten Field Trip Treworgy Orchard

Testing

Teachers and Ed Techs will be testing K-1 students in reading during the first weeks of school. The purpose of the testing is to identify problem areas. Low achieving students in Kindergarten will be included in the **Concepts About Print** program. Low achieving first graders may work with Mrs. Sharon Pelkey, Reading Specialist or work with a Title One Ed Tech to receive additional support. NWEA testing will begin the week of September 14. Grade 2, 3 & 4 NWEA test data will be used to determine students Title One eligibility in reading and math.

PTG

The first PTG Meeting will be held on Tuesday, September 12 at 6:30 in the school Cafeteria. Officers will be elected, and plans for fundraising and the PTG Halloween event may be discussed. Please come join us and make this the best year ever.

OPEN HOUSE

Open House was a great success. Kids, parents, and teachers had smiling faces throughout the evening. I don't know who was happier: teachers seeing their students, students seeing their friends or parents realizing their kids will be back in school in 2 days. ORC soccer, Karate, Boy Scouts, and Girl Scouts all had tables recruiting students for this school year.

EMPOWER Testing result from last year will be released soon. Those results will be mailed to parents by October.

Respectfully submitted
