

CENTER DRIVE SCHOOL

HOME OF THE EAGLES

To: Members of the School Committee

Fm: Judy Marvin, Principal

May 30, 2017

June is here! With June comes end of year assessments, field trips, sport banquets, classroom activities, and graduation.

We are finishing up the NWEA testing. I will analyze the results this summer and share the information with all of you in a future report. As you know, the NWEA's are our consistent form of standardized assessment that many teachers use as a measure for their student growth in the evaluation system and the growth I use a principal when evaluating our instructional programs. I would like to thank Mr. Mugnai for all that he does when it comes to testing and doing make up tests. Trying to do makeups during this time of the year can certainly be a challenge.

The 8th grade students will be going on their class trip Thursday, June 8th. Students will be visiting the Old Town Y, go carting then returning to Center Drive for their own private Activity Night with food and activities planned here at school, including Laser Tag and 2 other activities. Graduation will take place on Monday night, June 12th at 6:30 with a reception immediately following. At the moment, we have 19 students attending Brewer High, 20 students attending John Bapst, and 1 student attending Bangor High as 9th graders in the Fall. As always, this may change over the summer.

On Wednesday, June 14th our K-4 students will participate in the annual Field Day at CDS. Numerous activities have been planned for this date, along with a barbecue. Our students in grades 5-7 will participate in Exploratory Day. Exploratory Day activities include a variety of different activities that encourage students to participate in something they have never done. There will not be a rain date scheduled for these events. If rain occurs, activities will be planned for indoors.

As we bring this year to a close, I'd like to thank all of you for the support you have given me this year. Center Drive School is an amazing place to work with a staff that that I am proud to be part of. We have such a supportive parent community, all wanting what is best for their children.
