

CENTER DRIVE SCHOOL

HOME OF THE EAGLES

To: Members of the School Committee

Fm: Judy Marvin, Principal

November 26, 2018

I hope everyone enjoyed their Thanksgiving and was able to spend it with family and friends! We know how quickly the next big holiday comes upon us. Let's keep our fingers crossed for minimal snow days so we can have some consistency with our kiddos.

Our school is buzzing in anticipation of the upcoming winter sport season. We have 3 new coaches and 2 returning coaches. They have all stepped up and assisted John and I with our new AD duties, preparing us for upcoming schedule changes and communication issues. They are appreciated. Mrs. Miller has been preparing our students for our two holiday concerts. It is always a pleasure to see the results of this work. With all of this comes a building filled with parents, grandparents and community members. I am proud to show off what Center Drive is all about.

I continue to do observations of probationary and continuing contract teachers. I have been very busy visiting classrooms, writing up observations and having pre and post conferences with the teachers. I continue to be impressed with the instruction that I see on a daily basis with our students. I see more and more teachers using the information we are learning through professional development and implementing the new math program in their classrooms. I observe small group and one to one interventions taking place, work that we have been developing through Response to Intervention. I think all of this is reflected in the NWEA and MEA scores that I shared last month with all of you.

The Fall Coach Feedback forms have been distributed to both parents and students. I will now analyze these in order to have the necessary end of season conversations with the coaches.

Have a wonderful holiday with your families!
