May 27 NO SCHOOL Memorial Day
May 28 & 29 7th Grade ME Studies trip
June 3 Town Meeting 7:30

MEA Science Testing

5th and 8th grade students will be taking 3 (40 minute) science tests in the next couple of weeks. This is a paper test including multiple choice and constructed response questions. These tests will be taken during science classes.

Busy, busy, busy. We have many end-of-the-year activities that we are scheduling. We have 4th and 5th grade puberty films, 4 Year old and Kindergarten Registration, and 4th grade step up day activities that still need to be confirmed.

NWEA testing will be starting May 6 for grades 3-8 in math and reading, Each test is approximately 1 hour in length. We receive the results within a week or two and will send the results to parents by June.

The ball fields are drying up and should hopefully be ready for the first games in May.

Respectfully submitted
John Mugnai
