March 29 & 30 Drama Production "ROCKIN' ROBIN HOOD"

PTG

The PTG donates over \$8000 per year for services to CDS students. Ten dollars per student is earmarked for Field Trips. Teaching supplies are purchased and left in the Teacher's room. Free classroom supplies for needy students are available throughout the year which includes notebook paper, crayons, pencils, pens, erasers, and even backpacks. An ice cream social is provided at the end of the year for all students and staff. The PTG is concerned that without new parents, there will not be a PTG organization next year.

ORC

ORC has started the sign ups for Little League, baseball, and softball. Teams will be drafted and schedules will be created for the spring season.

Student Teachers

During the year, we receive many requests from students attending Husson College, Eastern Maine Community College, and the University of Maine wishing to observe classes, spend 100 Hours of Training, or do their Student Teaching at Center Drive School. This year we have had students that worked with Mrs. Wood, Mrs. Lausier, Mrs. Hart, Mrs. Freeman, Mrs. Larrivee, and Mrs. Prue. Nurse Dwyer has had a student nurse in training with her.
